

Mitacs's Use of Personal Information

By providing information to Mitacs in my Globalink Research Internship online profile, I:

- Acknowledge that the Globalink Research Internship is an initiative funded by the Canadian federal and provincial governments and by international funders. Canadian government funders require regular monitoring and reporting to ensure transparency of public funding. International funders may also require information for reporting and payment purposes and to approve internships. I consent to Mitacs sharing my personal information with these bodies, including, but not limited to: my name, date of birth, gender, email address, home institution, cumulative grade point, project match title, host Canadian university, and my host Canadian professor. I understand that this information will be provided in accordance with the Mitacs Privacy Notice (<https://www.mitacs.ca/en/website-privacy-statement>).
- Acknowledge that Mitacs must share my personal information with the respective Canadian host university where I will be conducting the internship for the purposes of managing my internship at the university. The information shared with these partners will include, but is not limited to: my name, email, home institution, gender, emergency contact information, country of birth, and home address. Universities are public bodies subject to privacy legislation and therefore are required to keep your information secure and confidential.
- Acknowledge that Mitacs must share relevant personal information with third party vendors providing required services to support my stay in Canada including, but not limited to, Globalink Mentors. Globalink Mentors, and any other third parties not covered by privacy legislation, agree to keep this information confidential before having access to it.
